Savills Sustain

Savills Sustain is embedded into how we work every day, reflecting our active commitment to sustainability and ESG awareness across the workplace. We consistently drive simple, practical, and meaningful actions that encourage and empower Savillians to adopt more sustainable habits as part of their daily routines.

At Savills Malaysia, sustainability is not treated as a separate initiative, but as a shared responsibility that is integrated into how we operate, make decisions, and conduct ourselves every day.

We put our principles into practice by promoting responsible resource use, mindful consumption, and environmentally conscious behaviours within the office environment.

Through this approach, we continue to build long-term awareness, drive positive behavioural change, and strengthen our collective commitment to ESG principles across the organisation.

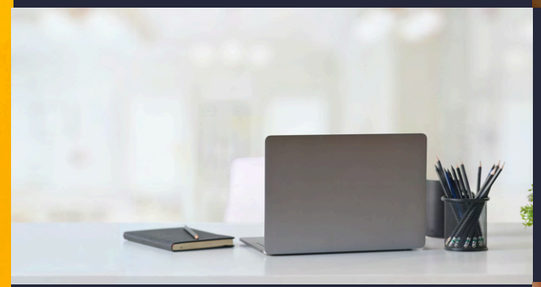

Savills Sustain

Weekly Sustainability Habits Campaign

Meatless Monday

Go plant-based every Monday! It's better for your health and the planet.

Tidy-Up Tuesday

Tidy up your workspace every Tuesday to boost focus and reduce waste.

Water Wednesday

Stay hydrated and eco-smart! Use reusable bottles and be mindful of water use.

Transit Thursday

Walk, cycle, carpool, or take public transport to reduce carbon emissions and commute sustainably.

Food-Comfort Friday

Bring your own container and cutlery to eat sustainably and mindfully.

Friday Batik Day

At Savills Malaysia, we actively foster cultural appreciation and inclusivity within the workplace through initiatives such as our Friday Batik Day.

Every Friday, Savillians are encouraged to wear batik as a way to celebrate and embrace Malaysia's rich cultural heritage.

Batik, recognised as a symbol of Malaysian identity, reflects the country's diversity and artistic tradition. By incorporating batik into our weekly dress culture, we promote a sense of unity, pride, and respect for local traditions among our employees.

This initiative not only strengthens workplace engagement but also reinforces our commitment to preserving cultural values and supporting national heritage. Through small yet meaningful practices like Friday Batik Day, Savills continues to cultivate an inclusive workplace culture that respects and celebrates diversity.

International Women's Day

We celebrate International Women's Day by recognising the contributions, strength, and achievements of women across our workplace and community. We remain committed to fostering an inclusive environment where equity, respect, and equal opportunity are not just values we talk about, but standards we actively uphold.

This celebration reflects our ongoing commitment to sustainability in its social dimension, empowering women and supporting a more balanced and equitable future for all.

Savillians Harvest Celebration

In celebration of the Harvest Festival, our office came together to honour the rich cultures and heritage of both Sabah and Sarawak. The celebration featured traditional delicacies such as Nasi Linopot, Kuih Amplang, and Kuih Cincin, bringing colleagues a meaningful taste of local traditions from across Borneo.

This gathering was a wonderful opportunity for our Sabahan and Sarawakian Savillians to share their heritage, while introducing the significance of the Harvest Festival to the wider Savills community. Through moments like these, we continue to foster cultural appreciation, connection, and inclusivity in the workplace.
